Dixon Bayco FloTech Loading Rack Cords and Hangers

API compatible heavy duty design interchanges with other manufacturers' cords

Features:

- Heavy duty cords are available in coiled or straight lengths
- Plug body is color-coded optic blue or thermistor green
- 316 stainless steel button contacts prevent corrosion and galling
- Cord sets are interchangeable with Civacon rack cords

Materials:

- Rack cords: reinforced nylon
- Contact pins, button and hardware: stainless steel

Dixon Bayco FloTech™ Junction Boxes

FT7500

FT7501

FT7502

Applications:

- FT7500 series junction boxes are designed to provide a convenient, safe, and protected point of service for rack cord accessories. When installed correctly, the junction box will protect rack cords from excessive wear and tear, and cord connections from water and corrosion in harsh environments.

Features:

- Water-tight construction helps prevent corrosion due to condensation and moisture on the rack connections
- Twelve-position terminal block for quick replacement of various cord types including optic, thermistor, ground, and deadman cables
- Large internal volume allows ample room for wiring and easy installation
- Mesh cord grip reduces cable strain and helps cable pull-out
- Integrated cord hook stores the cable while not in use

Material:

- blue powder coated weather-resistant aluminum

Part #	Description
FT7500	single cord junction box
FT7501	dual cord junction box
FT7502	junction box with yellow 13 pin socket
